Gurgaon, India [My Design Portfolio](#)

PROFILE

Senior Graphic Designer with **5.5+ years of experience** creating performance marketing creatives, pitch decks, and brand campaigns for fintech, publishing, and digital brands. Progressed from design intern to leading visual communication at Univest, one of India's fastest-growing fintech investment platforms. Specialized in **conversion-focused design** across Meta, Google, and LinkedIn campaigns, working in a **Adobe-based design stack** with **AI-accelerated workflows** (Midjourney, Adobe Firefly, ChatGPT) that speed up ideation and keep creative output consistent at scale.

CORE COMPETENCIES

Performance Marketing Creatives (Meta, Google, LinkedIn, App Campaigns) | Pitch Deck Design & Visual Storytelling | Brand Identity & Campaign Visual Systems | A/B Creative Variations & Campaign Optimization | AI-Assisted Design (Midjourney, Adobe Firefly, ChatGPT) | Cross-Functional Collaboration (Growth, Product, Leadership)

EXPERIENCE

UNIVEST — Senior Graphic Designer March 2026 – Present | Gurgaon, India

Leading visual communication and performance marketing creatives for one of India's fastest-growing fintech investment platforms.

- Designed **250+ performance marketing creatives** across **40+ campaign concepts** spanning Meta, Google, LinkedIn, Instagram, app campaigns, and website promotions, supporting customer acquisition.
- Produced multiple **A/B creative variations** per campaign, enabling systematic creative testing and scaling of top-performing variants across key acquisition campaigns.
- Designed **50+ webinar, stock market, and investor education campaigns** with strong visual consistency across all digital channels.
- Built **full-funnel creative assets**, including landing pages, banners, push notification creatives, emailers, and in-app promotional assets for acquisition campaigns.
- Collaborated with **15+ cross-functional stakeholders** across Performance Marketing, Product, Content, Growth, and Leadership teams.
- Delivered high-quality creatives under aggressive campaign timelines, contributing to improved engagement through **conversion-oriented visual storytelling**.

PAYOMATIX TECHNOLOGIES — Visual Designer January 2025 – February 2026 | Greater Noida, India

Designed marketing communication and branding assets for global fintech payment solutions, white-label products, and B2B sales initiatives.

- Designed **300+ marketing assets** including LinkedIn creatives, social posts, blog banners, sales presentations, brochures, landing pages, and website graphics.
- Delivered **35+ investor pitch decks**, company profiles, and sales presentations supporting business development and client acquisition.
- Created branding assets for **10+ fintech products** including White Label Payment Gateway, Crypto Infrastructure, BaaS, Payment Orchestration, and Cashier Solutions.
- Collaborated directly with founders, marketing, sales, and product stakeholders to translate complex fintech offerings into compelling visual communication.
- Reduced creative turnaround time by integrating **AI-assisted workflows** (Adobe Firefly, ChatGPT, Midjourney) into ideation and concept exploration.
- Maintained visual consistency across global campaigns targeting fintech, crypto, iGaming, and banking industries.

UPKAR PRAKASHAN — Graphic Designer July 2020 – December 2024 | Agra, India

Created print and digital marketing assets for one of India's leading educational publishing companies.

- Promoted twice** in a 4.5-year tenure, from Graphic Design Intern (2020) to Junior Graphic Designer (2021) to Graphic Designer (2022).
- Designed **200+ book covers**, advertisements, promotional creatives, thumbnails, and marketing assets across multiple publication categories.

- Collaborated with editorial and publishing teams to ensure design consistency across **100+ educational titles**.
- Produced print-ready artwork for books, banners, catalogues, and retail branding while managing multiple parallel projects under publishing deadlines.
